
SMIT ONLINE TEST 2020

Important Guidelines

Before Commencement of the Test:

1. Make sure you have a good internet connection.
2. It is recommended that you reboot your computer/ laptop before beginning to free up memory resources from other programs on your computer.
3. Use latest / updated web browser (Google Chrome, Internet Explorer, Firefox). Allow / Enable pop-ups for www.applysmit.in.
4. Shut down all Instant Messaging tools (Skype, AIM, MSN Messenger) and Email programs as they can conflict with exam dashboard and exam dashboard might get deactivated.
5. During the exam do not use any other internet browser, it may deactivate your exam dashboard and exam will end / cancelled.
6. Maximize your browser window before starting the test.
7. Once You are absolutely ready to give the exam, click “Start The Exam” button.

During the Test:

- a) Do not resize (minimize) the browser during the test.
- b) Do not press Back or Refresh Button on the browser during the test.
- c) Click the “Submit” button to submit your exam. Do not press “Enter” on the keyboard to submit the exam.

SMIT Online Test Pattern:
